6. The annual OC statistical report on grievance actions was prepared and submitted to the DA Grievance Officer.

25X1 7. The D/CO paid a courtesy call to [redacted] Deputy Director of NSA's Telecommunications and Computer Services Group. A number of NSA officers participated in a full afternoon of briefings.

8. New Communications Services FY 1987-1991 - OC cost estimates for communication services identified in the Directorates' Base and Ongoing Programs were forwarded to the DS&T, DO and DA. OC Divisions are currently reviewing those requirements submitted to OC in this exercise that the Directorates state they need satisfied in 1985-1986.

25X1 9. C/RAG and [redacted] met with representatives from
25X1 [redacted] OC-ED and OC-FND to discuss approaches to addressing survivable satellite communications planning issues.

25X1 10. NCS Activities - [redacted] served as communications operators in support of NATO exercise WINTEX-CIMEX/85. From 7 through 13 March, NCS participated as the United States PTT member. The exercise tested NATO PTT facilities under planned scenarios.

25X1

12. SINAG relinquished all cryptographic equipment (KG-84 excluded) responsibilities to OC-CSD on 14 March. The KG-84 program will be turned over circa June/July when all transactions connected with Project SURGE have been completed.
